UI/UX Designer with 4 years of experience designing intuitive and user-centered web and mobile applications. Skilled in UI/UX design, user research, information architecture, wireframing, interactive prototyping, design systems, responsive UI design, usability testing, and leveraging AI-powered design tools to enhance productivity and accelerate design workflows. Familiar with HTML, CSS, and frontend development principles, enabling effective collaboration with development teams. Experienced in collaborating with cross-functional teams to transform business requirements into scalable digital products that enhance user experience and drive business growth.

Experience

UI/UX Designer - Peniel Technology LLC (Trivandrum)

Jan 2026 – Present

- Led the redesign of the company's corporate website, improving user experience, strengthening brand consistency, and increasing overall usability through a modern, responsive design.
- Designed 50+ responsive websites across ERP, CRM, HRMS, e-Invoicing, business solutions, corporate websites, and enterprise web applications.
- Designed 10+ web and mobile application interfaces, including HRMS, recruitment, attendance management, eCommerce, and home service platforms, improving usability and delivering consistent user experiences.
- Created user flows, wireframes, interactive prototypes, high-fidelity UI designs, and reusable design systems, reducing design revisions and accelerating developer handoff.
- Worked together with developers to deliver 50+ responsive websites and web applications, ensuring accurate design implementation and improved development efficiency.
- Leveraged Figma AI and AI-powered design tools to accelerate UI design, presentations, marketing assets, and prototyping, reducing design effort and improving overall productivity.

UI/UX Designer - Bridge Global (Kochi)

May 2025 – Jan 2026

- Led UI/UX design for Kolket waste management app, creating responsive interfaces that improved user task completion by 45% and reduced customer support queries by 30% across mobile and desktop platforms
- Design modern and responsive B2B websites for clients, ensuring accessibility, usability, and brand consistency across all deliverables

- Collaborated with frontend developers using Tailwind CSS and Next.js to implement responsive UI designs, improving website performance and cross-browser compatibility.
- Created reusable design templates and marketing assets, reducing repetitive design work and improving team efficiency.

UI/UX Designer & Developer - iLearningEngines (Trivandrum)

Nov 2022 - April 2025

- Designed and developed 20+ responsive applications, increasing user engagement and usability through data-driven UI/UX strategies
- Reduced design-to-development time by building scalable design systems and reusable Figma component libraries, improving development efficiency and design consistency.
- Improved cross-platform accessibility and user experience by designing responsive interfaces and collaborating with developers using React and Material UI.
- Delivered 15+ client presentations and mentored 5 junior designers, increasing design quality and client satisfaction
- Collaborated with developers and stakeholders throughout the product lifecycle, ensuring accurate implementation of responsive and accessible UI designs.

Skills

UI/UX Design: Wireframing, Prototyping, Interaction Design, User Research, Usability Testing, Accessibility

Tools: Figma, Adobe XD, Illustrator, Photoshop, Canva , ChatGPT, Uizard

Front-End: Framer, HTML, CSS, JavaScript, Bootstrap , Material UI

Design Systems: Style Guides, Typography, Color Theory, Component Libraries

Client Engagement: Requirement gathering, UI/UX consultation, client demos

Education

B.Tech in Computer Science & Engineering -VKCET (Trivandrum)

2018 – 2022

Higher Secondary Education (12th Grade)

2016

CERTIFICATION

Best Rookie Award – Received Best Rookie Award for excellence in UI/UX Design and contributions to 15+ applications

Google UI/UX Design Foundation Certification – Completed Google UI/UX Design Professional Certificate (Coursera)
